

HEALTHY FOR LIFE

# LUCID D1

## Disinfecting Drone

### Engineered to Disinfect

The Lucid D1 Disinfecting Drone pushes technology to the boundaries of what is possible. With a 2.5 gallon on-board solution tank and two downward facing electrostatic nozzles the D1 achieves consistent, effective and efficient results. The D1 will sanitize fourteen times faster than backpack sprayers through the ease of controlled flight and high-tech repeatable flight patterns.

- Onboard 2.5 gallon solution tank and two downward facing electrostatic nozzles
- First-person view camera that streams to the controller
- 4 sets of batteries, a charger, and a travel case with sturdy transport cart
- 53" diameter - folds up into a 24" cubed travel case
- Remote technical support and data maintenance to ensure your success

**LARGE AREA DISINFECTION**  
UP TO 200,000 SQ FT  
PER HOUR

**SANITIZES**  
**14x**  
**FASTER THAN**  
**BACKPACK SPRAYERS**

# HIGHLIGHTS

## LUCID D1 Disinfecting Drone

### STABLE FLIGHTS

D1 is designed and fine-tuned for stability and safety.

### ELECTROSTATIC NOZZLES

D1 was purpose-built for optimal sanitation solution application.

### ON-BOARD TANK

2.5 gallon wide-mouth tank for easy refills of the solution of your choosing.

### DATA MONITORING

We monitor the drone's health while you focus on disinfecting.

### Drone Transmitter

#### USER FRIENDLY FLIGHT

Simple interface for intuitive flying.

#### TABLET

The transmitter is compatible with a Samsung Table (also included).

#### ADDED FEATURES

We have configured additional features to improve the ease of disinfecting.

### Power Pack

#### USER FRIENDLY POWER

Simple interface for intuitive charging.

#### BATTERY CHARGER

We build our own battery chargers, optimized for our use case.

#### EXTRA BATTERIES

We provide 8 batteries to keep your drone in the air.

### Travel Cart

#### USER FRIENDLY TRANSPORT

The cart makes for easy transportation of the drone around a job site.

#### CARRY SPACE

The cart is large enough for your drone, power pack, liquid container and PPE.
